### MONTHLY LUNCHEONS:

Each luncheon offers you the opportunity to network, learn more about the Alexandria area and explore new ways to get involved in the community. Luncheons include great food, a variety of networking activities, educational speakers, prizes and business announcements.

### QUARTERLY SOCIALS:

Socials provide you the opportunity to meet fellow young professionals in a more social setting to get to know them on a more personal level and establish long-lasting friendships. They take place throughout the year at a variety of locations.

### CONNECT GROUPS:

Connect group gatherings take place 2 times per month at a morning time and evening time for 1 hour each. These gatherings give members the opportunity to get to know other members on a more personal level in small groups.

### COMMUNITY SERVICE:

Community service is a large part of this organization and is often wrapped up into a social event or luncheon. Road ditches are also cleaned twice a year at our specified location.
